# DORN BRACHT

## Equipment Versions

SPA programs: Vitalize & Relax  
for PediSpa SUPERIOR and DELUXE.

The FOOT BATH<sup>ATT</sup> by Dornbracht combines different jet types, comfort functions, and pre-programmed scenarios. Each of their effects remains noticeable long after use.

There are two scenarios to choose from in the FOOT BATH<sup>ATT</sup>:

© Dornbracht

### FOOT BATH<sup>ATT</sup> scenario 1: VITALIZE

This program refreshes, invigorates, and gives new energy. Four jets massage the reflex zones on the soles of the feet with increasing pressure intensity and changing temperatures.

© Dornbracht

### FOOT BATH<sup>ATT</sup> scenario 2: RELAX

This scenario stimulates, relaxes, and warms. After the feet are immersed in the warm, shallow water, the temperature and water levels rise slowly, until the customer leaves the foot bath after 10 minutes.

### SMART TOOLS

Operating the FOOT BATH<sup>ATT</sup> is simple and easy via the digital SMART TOOLS.

For PediSpa COMFORT, SUPERIOR, and DELUXE.

© Dornbracht

### Affusion pipe

The pull-out affusion pipe allows refreshing, individual Kneipp pours.

For all four PediSpa versions.

### Water Fall Filling

The basin is automatically filled with fresh sparkling water via the Water Fall with Pearlstream.

For PediSpa DELUXE.
